

**Tavongaishe Caleb Mushaishi**

**Address:** IIE MSA, 144 Peter Rd, Ruimsig, Roodepoort, 1724

**Email:** tavongmushaishi18@gmail.com

**Mobile:** 060 390 2646 (direct calls)

**Alternate Mobile Number:** 060 390 2646 (WhatsApp)

---

**Goals:**

- To contribute to the success of an organization by applying my growing knowledge in computer science, software engineering, and web development.
  - To gain hands-on experience in a challenging and dynamic environment, working alongside experienced professionals.
  - To continuously enhance my skills and contribute to innovative solutions within the tech industry.
- 

**Education:**

**2020 – 2021:** A Level, Tynwald High School (Zimbabwe)

**2018 – 2020:** O Level, Christ Ministries High School (Zimbabwe)

**Current Studies:**

**2023 – 2025:** Bachelors in Computer and Information Science, IIE MSA

---

**Work Experience:**

**Web Developer (Intern), English First**

**March 2021 – February 2023**

**Responsibilities:**

- Assisted in the development of web solutions using **HTML**, **PHP**, **JavaScript**, and **CSS**, working under the guidance of senior developers.
- Gained practical experience in integrating **MySQL** databases to support dynamic web content.
- Participated in system analysis and design, contributing ideas and providing technical support.
- Supported cross-functional teams with troubleshooting and debugging during development and post-launch phases.

- Worked closely with clients to understand requirements and assist with ongoing technical support.

#### **Key Learning Experiences:**

- Improved my understanding of full-stack web development and database management.
  - Gained hands-on experience working within **Agile** teams, learning how to contribute to sprints and collaborate in a dynamic work environment.
  - Developed my problem-solving skills by tackling real-world technical challenges in client projects.
- 

#### **Skills:**

##### **Programming Languages:**

- **Java, C#, Python, C++, HTML, CSS, JavaScript, PHP**
  - Gained through academic projects and hands-on experience in personal projects.

##### **Database Management:**

- **MySQL, SQL Developer**
  - Basic to intermediate experience in database creation, queries, and optimization techniques.

##### **Frameworks and Technologies:**

- **React, Node.js**
  - Familiarity with modern JavaScript frameworks through coursework and personal experimentation.

##### **Development Practices:**

- **Agile methodology, Software Engineering, System Analysis and Development**
  - Experience working in an Agile environment during school group projects, understanding the importance of iterative development and collaboration.

##### **Web Development:**

- **HTML, PHP, CSS, JavaScript**
  - Developed a strong foundation in building responsive and user-friendly websites.

### Soft Skills:

- Strong **analytical** and **problem-solving** skills developed through academic assignments and internships.
  - Effective **communication** and **teamwork** skills, honed through group projects and collaboration with clients during internship.
  - Enthusiastic about learning and applying new technologies and best practices to real-world challenges.
- 

### Academic Projects:

#### Recipe Manager Application (C#, WPF):

- Developed a user-friendly application for managing recipes, focusing on a sleek interface and efficient database interaction.

#### Contract Monthly Claim System (CMCS):

- Designed a WPF application using the **MVVM** pattern, contributing to both the GUI and backend functionality in a team project.

#### Pre-used Clothing Website (PHP, MySQL):

- Created a fully functional eCommerce platform allowing users to buy and sell second-hand clothing, focusing on secure user authentication and product categorization.

#### Fully functional tourism website (HTML, CSS, JavaScript)

- Created a fully functional travel and tourism website allowing users to book trips and to different destinations around the world and also offering tour guides and protection.
- 

### Certifications (In Progress):

- **Certified Java Developer** – [Pending]
- **Agile Scrum Master** – [Pending]
